International Affairs and Political Economy (DIA)

Request for the co-supervisor

The co-supervisor must fulfill the conditions listed in the Award Regulations 16, Art. 12 and has to belong to one of the three DIA core disciplines. She/he has to be qualified and independent.

The supervisor nominates the co-supervisor and submits the form to the DIA Programme Committee at the latest before the submission of the research proposal. She/he has to be approved by the Programme Committee.

The co-supervisor participates in the research proposal colloquium and in the thesis defence (in person or via Skype/videoconference), writes a thesis report and grades both the thesis and the defence.
